

**MARCH 23, 2020**

**YOUR THOUGHTS FOR THE DAY**

**Along with the other adaptations we are all making at this time, I invite you to consider beginning family or personal devotions. While we will be live streaming worship, embodied expressions of faith such as lighting candles, singing and praying together strengthen our relationships to God and to each other. Pause, take a deep breath and remember God is in our midst.**

### **Streams of Living Water Flow**
